

# F5ECO

Satin Stainless Steel

White Ceramic

Polished Stainless Steel

## Technical Specifications

Voltage	Voltage 220/240v - / 50Hz
Power	1150w / 500w
Net Weight	3 kg (3.5 kg Posted)
Dimensions (D x W x L)	150 x 170 x 246mm
Noise Level	75dB at 1m
Cover Options	Ceramic / Stainless Steel

\* Tech Spec subject to change without previous notice. \*\* Calculations based: on 120 uses a day | Based on manufacturer's stated figures.

# “Super-efficient, small in size, big in performance and value”

## Overview

Veltia UK's first 'entry level' high speed hand dryer features quality steel casing and a super-efficient engine capable of running at just 500 watts.

Internally the F5 Eco benefits from switchable heating allowing the user to gain a further reduction in energy consumption and choose between heater and unheated airflow.
